

THE EXTRACURRICULAR

THE EXTRACURRICULAR
ACTIVITIES OF THE
APEEE IV

2018-2019

Secondary Section

S1-S2

Important notices :

The extracurricular activities start for secondary students in October which explains the price difference comparing to nursery and primary activities.

If your child is in S1-S2 and its school schedule enables him/her to attend an extracurricular activity at 3:10pm, please contact the Extracurricular office - Thank you for waiting to receive the final version of the school schedule before contacting the Extracurricular Office.

Please note that there is NO school bus running after 5:10PM.

There is also no bus running on wednesday afternoon after the extra-curricular activities.

Scientific workshop

The activity aims to put science in the hands of students in a fun way.

The activity will be divided into several themes such as robotics, sound, rhythm, music and the technologies of everyday life.

Monday

295 €

Codes : 1401

School Newspaper

This workshop aims to stir up student's imagination through writing to experience the power of words and see how they can have fun transforming their reality. Between journalistic investigation, creative writing and distorting games, the students will be invited to explore their well-known environment, the things they use -often or sometimes, the place they go to -because they have to or by choice, the words they use - formal language or slang, to reinvent them and so maybe reveal the secret life of things.

Wednesday

335 €

Codes : 3407

Musical Comedy

Do you like music, dance and theater?
Do you like to sing from morning to
night and like to dance in front of your
mirror?

Then, the musical course is for you!

Wednesday

335 €

Codes :

3405

Multimedia

workshop

In this workshop, we will have a lot to do, since it is a year project of movie making! And this from the very beginning by writing the script to the end. We will also work on the editing, adding special effects, sound mixing, etc. Each student will have a particular role (actor / actress, of course, cameraman, sound taker, chief operator...)

Wednesday

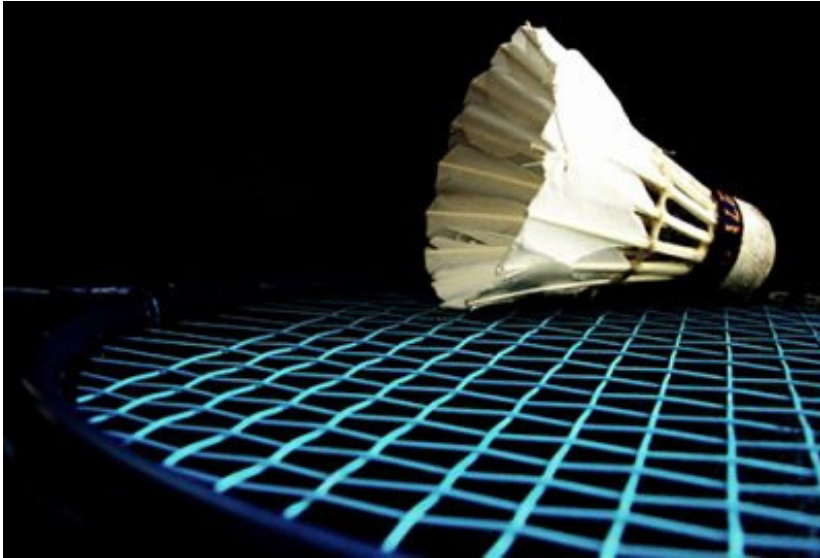

335 €

Codes :

3404

Badminton

This activity combines in a fun way introductory courses and small friendly tournaments.

Wednesday

280€

Codes :

3406

Judo

This course teaches the basic techniques of this martial art and its moral code: civility, confidence, honesty, dignity, respect, self-control and friendship.

Parents will need to purchase some additional equipment (approximately 40€) – To be checked with the monitor.

Tuesday - Thursday

230 €

Codes :

2402 - 4401

Football

Warm up, skills, matches, goal scoring etc.
The activity is indoors during wintertime.

Friday

220 €

Codes :

5401

Mindfulness

Learn how to be really present in the moment, attentive, without being carried away by the agitation of the moment, without yielding to your impulses. More than a technique, it is really an education to be in relation with oneself and with the world around us, with openness, respect and benevolence.

Thursday

265€

Codes :

4403

Aïkido

This course teaches the basic techniques of this martial art and its moral code: civility, confidence, honesty, dignity, respect, self-control and friendship.

Monday

230€

Codes :

1402

German theater

This activity has the objective of allowing children to develop their artistic and expressive skills but also to improve their social and interpersonal skills. Drama draws on your imagination, creativity, listening skills, group work, self-confidence, confidence in others and your concentration.

Knowledge of German is compulsory

Monday

240€

Codes :

1403

Taekwondo (advanced)

In this activity you will learn the different basic techniques required for this martial art as well as its moral code: politeness, courage, sincerity, honour, modesty, respect, self-control and friendship.

Parents will need to purchase some equipment for this activity (“dobok” approximately 50€) – To be checked with the monitor.

Tuesday - Thursday

230€

Codes :

2401 - 4405

French theater

English theater

Create characters; learn about plays, the stage and your audience. Learn about different aspects of the theatre through a range of exercises which will enable children to discover the art of comedy.

Tuesday - Thursday

240 €

Codes: 2404 - 4402

Tuesday - Thursday

Secondary Section

School Newspaper

This workshop aims to stir up student's imagination through writing to experience the power of words and see how they can have fun transforming their reality. Between journalistic investigation, creative writing and distorting games, the students will be invited to explore their well-known environment, the things they use -often or sometimes, the place they go to -because they have to or by choice, the words they use - formal language or slang, to reinvent them and so maybe reveal the secret life of things.

The workshop will integrate a preliminary exploration, several writing propositions, possibly the production of visuals to illustrate the texts - depending on students' will, and all the steps of the production of an edition. At the end, each of the participants will get his/her own volume.

Wednesday

335 €

Codes :

3502
