Motivation:

I wish to be the Member of APEEE board because

- first, the Estonian section hasn't had a representative until now and we have agreed in the section that it would be good to have one,
- secondly, because I prefer to be involved in my daughter's education and school life and finally,
- because I think the APEEE, as any other organization for that matter, would benefit for new views. As a new parent (my daughter is in P1), I believe that transparency and communication in particular could be improved and modernized.
