Motivation: With 2 children in Maternelle and Primary, and a third following next year, I have a long-term interest in ensuring that the services that the APEEE provides meet the needs of all students and parents, as well as serves as an efficient and effective representative for all parents towards school management.

With my professional experience touching on all aspects of logistics and contracts, and my private experience as a volunteer is running several ASBL (NGOs) in Belgium, I furthermore believe I have the knowledge and skills required to be a member of the board.

My aims, if (s)elected, will be to ensure that the APEEE works for all students and all parents, particularly as we slowly start moving out of the pandemic and start a new normal. This will have an impact on our services, and our relations with school management.
