Stronger solidarity among EU member states

78%

Comparable living standards

IDEAS/ PROPOSALS FOR THE FUTURE OF EUROPE

EUROPEAN DEMOCRACY

8 out of 10 young people believe that the Conference of the Future of Europe should lead to more democratic changes in the EU.

MENTAL HEALTH

9 out of 10 respondents believe that the EU should further support mental healthcare systems and professionals to ensure equal access to all people.

EDUCATION

8 out of 10 young people believe that education about European matters should be compulsory in the school curricula.

VALUES, RIGHTS AND THE RULE OF LAW

7 out of 10 young people believe that any form of abuse related to gender identity and sexual orientation should be punished by means of criminal law in EU Member States.

A STRONGER ECONOMY, SOCIAL JUSTICE AND JOBS

8 out of 10 participants believe that all European citizens should have comparable living standards, regardless of their nationality and the economic situation of their country.

DIGITAL TRANSFORMATION

8 out of 10 young people believe that the EU should set a goal for European digital access and literacy by 2050.

CLIMATE CHANGE AND THE ENVIRONMENT

7 out of 10 respondents agree that the EU should introduce a legal framework on the consumption habits of citizens to help the environment.

WHAT DO YOUNG PEOPLE **STAND** FOR?

#STANDFORSOMETHING is a youth engagement campaign. At its helm are 21 Youth Activists from 16 countries, eager to engage young Europeans in conversations and activities about the Future of Europe.
