Parent d'un enfant en / Parent of a child in (précisez classe / specify class): P4 & S2

Prim & Sec - Section: IT

#### Motivation:

During the last months of my first mandate as a member of the APEEE board, I have particularly followed **pedagogical matters** as co-vice-president of the pedagogical group. I would like to continue to work (same formula) on these aspects with the section representatives.

I also think it is necessary and important to start taking into account the future structure of the European schools in order to be well prepared and to have a strong EEB4 but also an EEB5 at the same level. To this end, my candidacy also covers everything that concerns the **policy of the European schools and the relations with the general secretariat of the European schools, including the enrolment policy**.

As in the past, I am also available to help where I can and to the best of my ability.
