Motivation:

My original two-year mandate is expiring, and I would like to continue to serve as your APEEE President for an additional year (also as the mandate for APEEE Presidents is two years 😊). Moreover, there are a number of changes and projects, both services-related and pedagogical, that I would like to help support and see through over the next year, if I am allowed to continue.

My background is educational/pedagogical. I have an Ed.S. degree in Higher Education with a focus on Internationalization Processes in Higher Education. I also have a Ph.D. in Scandinavian Languages & Literatures and have previously worked and taught at universities in the U.S., Sweden, and Denmark. Another area of interest and research has been the relationship between culture and national perceptions of risk and crisis management as part of the Center for Crisis Management Research and Training in Sweden.
