Motivation:

Joining the Administrative Board of APEEE de Bruxelles IV is an opportunity for every parent to contribute to the school life of EEB IV and to work towards improving the school environment if and whenever possible. I believe this work is for the benefit of our children, in the first place, but also for the benefit of their teachers, the administrative staff, all external professionals that are involved in the upbringing of our kids. And when the environment in which our kids grow, learn, play, develop, etc. is good, we all benefit.

After spending almost 3 years as a teacher in the EEB IV Secondary school and a year as a teaching assistant in the Luxembourg I Primary school, I am now sitting on the other side of the table, together with all the parents. I believe my experience as part of the teaching staff of two European schools could be useful in my role as a member of the Administrative Board of APEEE of Bruxelles IV.
