#### Motivation:

I have four children at EEB4 and I believe that parents can play a role in supporting the school to help ensure that all kids are supported to have the best possible educational experience. Whether this is through the pedagogical groups, community events or logistics (transport), I have seen that the APEEE can be a means to contribute to that objective.

Last year I was part of the central committee organizing our first post-pandemic Somerfest. It was amazing to have the party back and see the community in action again. I would hope to be able to continue that work.

Since October 2023 I have been assisting with transport – one of the core services with complex issues to juggle. I hope that the experience I have so far - I have served on the Board on multiple occasions since my kids joined the school- would be useful to the Board as the challenges are not fewer but greater.
