### Motivation:

I understand the valuable work that the administrative board does through APEEE and I have been privileged to have served in the board from 2013 – 2015 and again from 2021. I have served as a Class Representative in the past and this has given me a better understanding of the parent's dynamics at the school. I have worked diligently in the last year with the Somerfesto and Social Fund team. I would like to continue serving in this capacity ( and possibly in other areas) to support the school community.
