Motivation:

I have been a member of the Board for two years, following Interparents' group work on issues of general interest. I have also become more acquainted with the complex functioning of the APEEE and became involved in the Transport group's work lately. If re-elected, I would continue to support transport group's work. I have three children in secondary and through them I became aware of some aspects of school life such as the difficulties kids face in building a community in an overcrowded environment. I would like to dedicate time and effort to help contribute to the wellbeing of kids of the school community.
