Section: BG DE EN ET **FR** IT NL RO

Motivation:

I was member of the APEEE Board for the last two years and the coordinator of the APEEE's Digital Competencies Work Group.

I am applying to renew my mandate in the Board, because I would like to continue working on and contributing to:

1) Review, improve and help implementing the Digital Competencies framework in our school, not only for the Secondary pupils, but also for the Primary ones.

Today it is of utmost importance that our children acquire the necessary digital skills and knowledge, as soon as possible and properly embedded in their curricula, not only for using them but also to help keeping them safe in this digitalized, online and virtualized world. Also, the impact of the AI on the learning process (to teach and to prepare home works / exams) needs to be factored in as early as possible in our children's educational process.

2) Improve and modernize the IT tools the APEEE is using to manage its services and to communicate with the parents it serves.

3) Help implementing new communication channels between the parents of our school and with the APEEE (e.g. a discussion forum, survey tools for the APEEE to consult the parents on important topics etc).

My skills and experience as IT Project manager and my experience as APEEE Board member from the current mandate would be very helpful for working on the above objectives. So, I hope that my candidacy will retain your attention and I am looking forward to be given the opportunity to continue as APEEE Board member and thus better support our school community.
